# RateMyCCI

Team Members:
Micah Langford mlangfo1@uncc.edu
Antony Blyakher ablyakhe@uncc.edu
Devon Bovine dbovine@uncc.edu
Delaney Mizell dmizell1@uncc.edu

Summary: Site that aggregates ratings and reviews of classes for CCI students

Rationale:

Users:

Preconditions: Users must possess a uncc.edu email address.

Basic Course of Events:

Alternative Paths:

Use Case:
The users will be able to view the information about the classes at any time.

Users will create an account during which a verification email will be sent out to their ' .edu ' address.
Bool "@" && ".edu" in string to search
If true then email a pass code to confirm account
Pass code will be required upon first login

Users will rate the classes they have taken and provide useful information for them.

Focused on CCI

Bool language
Top 5 common languages used
and a free response

Teacher (name + 1-5)

Bool TA?
   TA (1-5)

Difficulty
  (rating 1-5)

Bool  Book
  (rating 1-5)

Free response
(30-275 char)

Node Reviews are stored into hash
Reviews of same professor are stored in same key, so there will be overflow of linkedlists
